

All Iowa Shop Hop 2020 Physical Distancing Policies by Region

Updated 7/17/20

The All Iowa Shop Hop is very excited to be hosting the ninth year of shop hopping! 2020 is a unique year for the world and our state because of the recent public restrictions related to the Covid 19 virus.

We've pulled together a complete list of suggested and REQUIRED restrictions some of our stores are asking you to observe while visiting.

We also have a list of adjusted stores hours. Many of our stores are experiencing staffing shortages because of Covid impacts, so many have had to change some of their operational hours for June and July.

Updates: **CLICK don't call!**

The restrictions our stores are observing change frequently. We encourage shoppers to check the All Iowa Shop Hop website for updates frequently; ESPECIALLY before you head out for the Great Sewing Adventure Across Iowa.

Many of our stores do not have the extra staff to answer hundreds of phone calls every day about their restrictions so we are serving as the "clearing house" and your source of information.

If you haven't already, please sign up on our website so that you'll receive updates automatically as they come out.

How to Use the Information Below to Make the Most of Your Shop Hop Experience

The table below lists our stores and any *unique* restrictions they are observing *above and beyond general physical distancing policies*.

- **STORE HOURS:** If a store does not have an entry under the "Change in SHOP HOP hours" column, this means there is no change in the hours of operation for that store from what is printed in the AISH Magazine. You should refer to the STORE'S AD in your AISH Magazine for July Hours.
- **FACEMASKS:** The majority of our stores are recommending or suggesting that customers have and wear facemasks while they are on the shop hop. However, some stores are REQUIRING them of all customers and staff. Those stores are noted in the "Facemasks" column.
- **LIMITING THE NUMBER OF PEOPLE AT ANY GIVEN TIME:** A few of our stores have less physical space, or have decided to follow more strict policies. Stores that are imposing "stricter" numbers are listed below and you'll find the number of customers they are limiting to in the "Limiting" column.
- **HAND SANITIZER:** We should all be washing our hands frequently. Some stores will be supplying hand sanitizer as you enter the store. If it is there, please use it as you enter.

General Physical Distancing Guidelines for a SAFE, FUN, Shop Hop

The All Iowa Shop Hop and our 93 stores are asking our customers to follow a few important guidelines

- **BE KIND.** Everyone has their own personal perspectives and we are all dealing with physical distancing in one way or another. Please be patient with our store employees and all our customers. You might be asked to observe policies that make you slightly uncomfortable, but they may make someone else feel MORE comfortable. Please help us ALL have a great shop hop!

All Iowa Shop Hop 2020 Physical Distancing Policies by Region

Updated 7/17/20

- **TAKE YOUR TIME** and don't be in a hurry. We've extended the shop hop through the end of July, so don't be afraid to take advantage of the extra time. Physical distancing policies might require customer to wait at some stores, so be sure to schedule some extra time in your schedule.
- **6 FOOT RULE:** Please do your best to stay 6 feet apart and be aware of your surroundings.
- **TAKE ADVANTAGE OF CURBSIDE.** Don't be afraid to call or ask our stores. Many of them will bring items to you in their parking lot.
- **BRING YOUR OWN INK PEN** – or stickers with your name, address, phone and email to enter in-store raffles.
- **NO SHAMING** – we all have our own “battles” and no one knows what they might be. Please refrain from commenting or posting about a store or customer's approach to Physical Distancing Policies. You are welcome to believe and observe what makes you comfortable, and so should everyone else without judgement or pressure!

CLOSED STORES

We do have a few stores who have made the difficult decision to remain closed for all or some of the shop hop.

CLOSED FOR ALL of the SHOP HOP:

- **Helio's Stitches N Stuff** in Mount Vernon (EC Region)
- **Sistercraft** in Salem (SE Region)
- **Home Ec** in Iowa City (EC Region) will be closed through the end of the shop hop.

CLOSED FOR SOME of the SHOP HOP:

- **Willowcreek Quilting & Gifts** in Kalona (SE Region) is CLOSED through June 29th, OPENING on June 30th.
- **Towne Square Quilts** in Lake City is closed until further notice effect 6/25/20.

We recommend you check our website frequently regarding these stores to see if they change their plans for opening earlier or later.

If you collect stamps from the remaining stores in their regions you will still qualify for a prize entry even if you do not have their stamp. Just write on/near that stores stamp that they were closed and the date. ***This only applies to the stores listed above who are closed because of construction or Covid19 issues.***

Collectible Quilt Squares

If you are interested in securing the collectible quilt squares from one of the stores that is closed for some or all of the shop hop, ***DUE TO COVID19 or CONSTRUCTION:*** When you send your passport in, please note somewhere on the passport that you would like the squares and send \$1 for postage. We will mail you the missing squares.

NOTE: For Sistercraft Quilting and More in Salem, please contact the store directly.

JULY HOURS

July Hours for our stores are listed in the AISH Magazine in that **store's AD** (you can reference the page for each store's ad through the index at the back of the magazine. **CHANGES** to “regular hours” (for July) are listed in the table below.
